I belong with you, you belong with me, you're  
my sweetheart

I belong with you, you belong with me, you're  
my sweet'(ho)

Hey

Ho

Hey

## Love Yourself

For all the times that you rain on my parade

And all the clubs you get in using my name

You think you broke my heart, oh girl for  
goodness sake

You think I'm crying, on my own well I ain't

And I didn't wanna write a song 'cause I didn't  
want anyone thinking I still care

I don't but, you still hit my phone up

And baby I be movin' on and I think you should  
be somethin'

I don't wanna hold back, maybe you should  
know that

My mama don't like you and she likes everyone

And I never like to admit that I was wrong

And I've been so caught up in my job, didn't see  
what's going on

And now I know, I'm better sleeping on my own

'Cause if you like the way you look that much

Oh baby you should go and love yourself

And if you think that I'm still holdin' on to  
somethin'

You should go and love yourself

But when you told me that you hated my friends

The only problem was with you and not them

And every time you told me my opinion was  
wrong

And tried to make me forget where I came from

And I didn't wanna write a song cause I didn't  
want anyone thinking I still care

I don't but, you still hit my phone up

And baby I be movin' on and I think you should  
be somethin'

I don't wanna hold back, maybe you should  
know that

My mama don't like you and she likes everyone

And I never like to admit that I was wrong

And I've been so caught up in my job, didn't see  
what's going on

And now I know, I'm better sleeping on my own

'Cause if you like the way you look that much

Oh baby you should go and love yourself

And if you think that I'm still holdin' on to  
somethin'

You should go and love yourself

For all the times you made me feel small

I fell in love, now I feel nothin' at all

I never felt so low when I was vulnerable

Was I a fool to let you break down my walls?

'Cause if you like the way you look that much

Oh baby you should go and love yourself

And if you think that I'm still holdin' on to  
somethin'

You should go and love yourself...

## Country Roads

Almost heaven, West Virginia  
Blue ridge mountains, Shenandoah river  
Life is old there, older than the trees  
Younger than the mountains, blowing like a  
breeze  
Country roads, take me home  
To the place I belong  
West Virginia  
Mountain mamma, take me home  
Country roads  
All my memories, gather round her  
Modest lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye  
Country roads, take me home  
To the place I belong  
West Virginia  
Mountain mamma, take me home

Country roads  
I hear her voice in the morning hour she calls me  
Radio reminds me of my home far away  
Driving down the road I get a feeling  
That I should have been home yesterday,  
yesterday  
Country roads, take me home  
To the place I belong  
West Virginia  
Mountain mamma, take me home  
Country roads  
Country roads, take me home  
To the place I belong  
West Virginia  
Mountain mamma, take me home  
Country roads  
Take me home, down country roads  
Take me home, down country roads

# Sorry

Ooh, ooh

Ooh, ooh

You gotta go and get angry at  
all of my honesty

You know I try but I don't do  
too well with apologies

I hope I don't run out of time,  
could someone call a referee?

'Cause I just need one more  
shot at forgiveness

I know you know that I made  
those mistakes maybe once or  
twice

By once or twice I mean  
maybe a couple of hundred  
times

So let me, oh let me redeem,  
oh redeem, oh myself tonight

'Cause I just need one more  
shot at second chances

Yeah, is it too late now to say  
sorry?

'Cause I'm missing more than  
just your body

Oh, is it too late now to say  
sorry?

Yeah, I know that I let you  
down

Is it too late to say I'm sorry now?

Ooh, ooh

I'm sorry, yeah

Ooh, ooh

Sorry, yeah

Ooh, ooh

Sorry

Yeah, I know that I let you  
down

Is it too late to say I'm sorry  
now?

Ooh, ooh

I'll take every single piece of  
the blame if you want me to

But you know that there is no  
innocent one in this game for  
two

I'll go, I'll go and then you  
go, you go out and spill the  
truth

Can we both say the words  
and forget this?

Yeah, is it too late now to say  
sorry?

'Cause I'm missing more than  
just your body

Oh, is it too late now to say  
sorry?

Yeah, I know that I let you  
down

Is it too late to say I'm sorry  
now?

I'm not just trying to get you  
back on me

'Cause I'm missing more than  
just your body

Is it too late now to say  
sorry?

Yeah, I know that I let you  
down

Is it too late to say I'm sorry  
now?

Ooh, ooh

I'm sorry, yeah

Ooh, ooh

Sorry, yeah

Ooh, ooh

Sorry

Yeah, I know that I let you  
down

Is it too late to say I'm sorry  
now?

Ooh, ooh

I'm sorry, yeah

Ooh, ooh

Sorry, yeah

Ooh, ooh

Sorry

Yeah, I know that I let you  
down

Is it too late to say I'm sorry  
now?

## Closer

Hey, I was doing just fine  
before I met you  
I talk too much and that's an  
issue  
But I'm OK  
Hey, you tell your friends it  
was nice to meet them  
But I hope I never see them  
again  
I know it breaks your heart  
Moved to the city in a  
broke-down car  
And four years, no calls  
Now you're looking pretty  
but you are so far  
And I, I, I can't stop  
No, I, I, I can't stop  
So, baby, pull me closer  
As we stand against the  
Rover  
That I know they can't afford  
Brush that stress right off  
your shoulder  
Pull the sheets right off the  
corner  
Of that notebook that you  
stole

From your friend's room back  
in Boulder  
We ain't ever getting older  
We ain't ever getting older  
We ain't ever getting older  
You look as good as the day I  
met you  
I forget just why I left you,  
It was insane  
Stay and play that Blink-182  
song  
That we played to death in  
Tucson,  
OK  
I know it breaks your heart  
Moved to the city in a  
broke-down car  
And four years, no call  
Now I'm looking pretty but I  
am so far  
And I, I, I can't stop  
No, I, I, I can't stop  
So, baby, pull me closer  
As we stand against the  
Rover  
That I know they can't afford  
Brush that stress right off  
your shoulder  
Pull the sheets right off the  
corner  
Of that notebook that you  
stole

From your friend's room back  
in Boulder  
We ain't ever getting older  
We ain't ever getting older  
We ain't ever getting older  
So, baby, pull me closer  
As we stand against the  
Rover  
That I know they can't afford  
Brush that stress right off  
your shoulder  
Pull the sheets right off the  
corner  
Of that notebook that you  
stole  
From your friend's room back  
in Boulder  
We ain't ever getting older  
We ain't ever getting older  
No, we ain't ever getting  
older  
We ain't ever getting older  
No, we ain't ever getting  
older  
We ain't ever getting older  
We ain't ever getting older  
We ain't ever getting older  
No, we ain't ever getting  
older  
We ain't ever getting older  
No, we ain't ever getting  
older

## Just Like Fire

I know that I'm running out of time  
(I want it all, mmm, mmm)  
And I'm wishing they'd stop tryna turn me off  
I want it all, mmm, mmm  
And I'm walking on a wire, trying to go higher  
Feels like I'm surrounded by clowns and liars  
Even when I get it all the way  
(I want it all, mmm, mmm)  
We can get 'em running, running, running  
Just like fire, burning out the way  
If I can light the world up for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'mma disappear when they come for me  
I kick that ceiling, what you gonna say?  
No one can be just like me any way  
Just like fire, uh  
And people like to laugh at you cause they are  
all the same, mmm  
See I would rather we just go our different way  
than play the game, mmm  
And no matter the weather, we can do it better  
You and me together forever and ever

We don't have to worry about a thing about a  
thing, no  
We can get 'em running, running, running  
Just like fire, burning out the way  
If I can light the world up for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'mma disappear when they come for me  
I kick that ceiling, what you gonna take?  
No one can be just like me any way  
Just like fire, fire, fire  
Running, running, running  
We can get 'em running, running, running  
So I can get it running  
Just cause nobody's done it  
Y'all don't think I can run it  
But look, I've been here, I've done it  
Impossible? Please  
Watch, I do it with ease  
You just gotta believe  
Come on, come on with me

## We're all made of stars

George:

You can be anything you

## I knew you were trouble

Once upon time

A few mistakes ago

I was in your sights

You got me alone

You found me

You found me

You found me

I guess you didn't care

And I guess I liked that

And when I fell hard

You took a step back

Without me, without me, without me

And he's long gone

When he's next to me

And I realize the blame is on me

'Cause I knew you were trouble when you  
walked in

So shame on me now

Flew me to places I'd never been

So you put me down oh

I knew you were trouble when you walked in

So shame on me now

Flew me to places I'd never been

Now I'm lying on the cold hard ground

Oh, oh, trouble, trouble, trouble

Oh, oh, trouble, trouble, trouble

No apologies

He'll never see you cry

Pretend he doesn't know

That he's the reason why

You're drowning, you're drowning, you're  
drowning

And I heard you moved on

From whispers on the street

A new notch in your belt

Is all I'll ever be

And now I see, now I see, now I see

He was long gone

When he met me

And I realize the joke is on me

I knew you were trouble when you walked in

So shame on me now

Flew me to places I'd never been  
So you put me down oh  
I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been  
Now I'm lying on the cold hard ground  
Oh, oh, trouble, trouble, trouble  
Oh, oh, trouble, trouble, trouble  
When your saddest fear comes creeping in  
That you never loved me or her or anyone or  
anything  
Yeah

I knew you were trouble when you walked  
in  
So shame on me now  
Flew me to places I'd never been  
So you put me down oh  
I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been  
Now I'm lying on the cold hard ground  
Oh, oh, trouble, trouble, trouble  
Oh, oh, trouble, trouble, trouble

## Love Story

We were both young when I first saw you  
I close my eyes and the flashback starts  
I'm standing there on a balcony in summer air  
See the lights, see the party, the ball gowns  
See you make your way through the crowd  
And say hello  
Little did I know  
That you were Romeo, you were throwing  
pebbles  
And my daddy said, "Stay away from Juliet"  
And I was crying on the staircase  
Begging you, please, don't go  
And I said,  
"Romeo, take me somewhere we can be alone  
I'll be waiting, all that's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story, baby just say yes  
So I sneak out to the garden to see you  
We keep quiet 'cause we're dead if they knew  
So close your eyes, escape this town for a little  
while  
'Cause you were Romeo, I was a scarlet letter  
And my daddy said "Stay away from Juliet"  
But you were everything to me, I was begging  
you, please, don't go  
And I said Romeo take me somewhere we can  
be alone  
I'll be waiting, all there's left to do is run

You'll be the prince and I'll be the princess  
It's a love story baby just say yes  
Romeo save me, they're trying to tell me how to  
feel  
This love is difficult, but it's real  
Don't be afraid, we'll make it out of this mess  
It's a love story, baby just say "Yes"  
Oh, oh  
I got tired of waiting  
Wondering if you were ever coming around  
My faith in you was fading  
When I met you on the outskirts of town  
And I said  
"Romeo save me, I've been feeling so alone  
I keep waiting for you but you never come  
Is this in my head? I don't know what to think"  
He knelt to the ground and pulled out a ring and  
said  
"Marry me, Juliet, you'll never have to be alone  
I love you and that's all I really know  
I talked to your dad, go pick out a white dress  
It's a love story, baby just say yes"

## What makes you beautiful

You're insecure

Don't know what for

You're turning heads when you walk through the door

Don't need make-up, to cover up

Being the way that you are is enough

Everyone else in the room can see it

Everyone else but you

Baby you light up my world like nobody else

The way that you flip your hair gets me overwhelmed

But when you smile at the ground it ain't hard to tell

You don't know, oh oh

You don't know you're beautiful

If only you saw what I can see

You'll understand why I want you so desperately

Right now I'm looking at you and I can't believe

You don't know, oh oh

You don't know you're beautiful, oh oh

That's what makes you beautiful

So come on, you got it wrong

To prove I'm right, I put it in a song

I don't know why, you're being shy

And turn away when I look into your eye eye eyes

Everyone else in the room can see it

Everyone else but you

Baby you light up my world like nobody else

The way that you flip your hair gets me overwhelmed

But when you smile at the ground it ain't hard to tell

You don't know, oh oh

You don't know you're beautiful

If only you saw what I can see

You'll understand why I want you so desperately

Right now I'm looking at you and I can't believe

You don't know, oh oh

You don't know you're beautiful, oh oh

That's what makes you beautiful

Baby you light up my world like nobody else

The way that you flip your hair gets me overwhelmed

But when you smile at the ground it ain't hard to tell

You don't know, oh oh

You don't know you're beautiful

Baby you light up my world like nobody else...

## Someone like you

I heard, that you're settled down  
That you found a girl and you're, married now  
I heard, that your dreams came true  
I guess she gave you things  
I didn't give to you  
Old friend, why are you so shy  
Ain't like you to hold back  
Or hide from the light  
I hate to turn up out of the blue uninvited but I  
Couldn't stay away I couldn't fight it  
I had hoped you'd see my face  
And that you be reminded that for me it isn't  
over  
Never mind I'll find someone like you  
I wish nothing but the best  
For you too, don't forget me  
I beg, I'll remember you said  
Sometimes it lasts in love  
But sometimes it hurts instead  
Sometimes it lasts in love  
But sometimes it hurts instead yeah  
You know how the time flies  
Only yesterday it was the time of our lives

We were born and raised

In a summer haze bound by the surprise  
Of our glory days  
I hate to turn up out of the blue uninvited but I  
Couldn't stay away I couldn't fight it  
I hoped you'd see my face  
And that you'd be reminded that for me it isn't  
over  
Never mind I'll find someone like you  
I wish nothing but the best for you too  
Don't forget me I beg, I'll remember you said  
Sometimes it lasts in love but sometimes it hurts  
instead  
Nothing compares no worries or cares  
Regrets and mistakes their memories made  
Who would have known how bittersweet  
This would taste  
Never mind I'll find someone like you  
I wish nothing but the best for you  
Don't forget me I beg, I'll remember you said  
Sometimes it lasts in love but sometimes it hurts  
instead  
Never mind I'll find someone like you  
I wish nothing but the best for you too

## Three Little Birds

Don't worry about a thing  
'Cause every little thing gonna be alright  
Singing' don't worry about a thing  
'Cause every little thing gonna be alright  
Rise up this mornin'  
Smiled with the risin' sun  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true  
Saying', (this is my message to you)  
Singing' don't worry 'bout a thing  
'Cause every little thing gonna be alright  
Singing' don't worry (don't worry) 'bout a thing  
'Cause every little thing gonna be alright  
Rise up this mornin'

Smiled with the risin' sun  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true  
Sayin', this is my message to you  
Singing' don't worry about a thing, worry about a  
thing, oh  
Every little thing gonna be alright, don't worry  
Singing' don't worry about a thing, I won't worry  
"Cause every little thing gonna be alright  
Singing' don't worry about a thing  
'Cause every little thing gonna be alright, I won't  
worry  
Singin', don't worry about a thing  
'Cause every little thing gonna be alright  
Singing' don't worry about a thing, oh no  
'Cause every little thing gonna be alright

on and on and

Boom clap

You make me feel good

# Hello

Hello, it's me

I was wondering if after all these years you'd  
like to meet

To go over everything

They say that time's supposed to heal ya

But I ain't done much healing

Hello, can you hear me

I'm in California dreaming about who we used to  
be

When we were younger and free

I've forgotten how it felt before the world fell at  
our feet

There's such a difference between us

And a million miles

Hello from the other side

I must have called a thousand times

To tell you I'm sorry for everything that I've  
done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry for breaking your heart

But it don't matter it clearly doesn't tear you  
apart anymore

Hello, how are you?

It's so typical of me to talk about myself I'm  
sorry

I hope that you're well

Did you ever make it out of that town where  
nothing ever happened

It's no secret that the both of us

Are running out of time

So hello from the other side

I must have called a thousand times

To tell you I'm sorry for everything that I've  
done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry for breaking your heart

But it don't matter it clearly doesn't tear you  
apart anymore

Oooooohh, anymore

Oooooohh, anymore

Oooooohh, anymore

Anymore

Hello from the other side

I must have called a thousand times

To tell you I'm sorry for everything that  
I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried

To tell you I'm sorry for breaking your  
heart  
But it don't matter it clearly doesn't tear you  
apart anymore

## Don't Stop Believing

Just a small town girl, living in a lonely  
world  
She took the midnight train going anywhere  
Just a city boy, born and raised in South  
Detroit  
He took the midnight train going anywhere  
A singer in a smoky room  
A smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on and on and on

[Chorus]

Strangers waiting, up and down the  
boulevard  
Their shadows searching in the night  
Streetlights people, living just to find  
emotion  
Hiding, somewhere in the night

[Verse 2]

Working hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice

Just one more time  
Some will win, some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on and on and on  
[Chorus]  
Strangers waiting, up and down the  
boulevard  
Their shadows searching in the night  
Streetlights people, living just to find  
emotion  
Hiding, somewhere in the night

[Outro]

Don't stop believing  
Hold on to the feeling  
Streetlights people  
Don't stop believing  
Hold on  
Streetlight people  
Don't stop believing  
Hold on to the feeling  
Streetlights people

## I'll make a man

Let's get down to business, to defeat the Huns  
Did they send me daughters, when I asked for sons?  
You're the saddest bunch I ever met  
But you can bet before we're through  
Mister, I'll make a man out of you  
Tranquil as a forest but on fire within  
Once you find your center, you are sure to win  
You're a spineless, pale, pathetic lot  
And you haven't got a clue  
Somehow I'll make a man out of you  
I'm never gonna catch my breath  
Say goodbye to those who knew me  
Boy, was I a fool in school for cutting gym  
This guy's got 'em scared to death  
Hope he doesn't see right through me  
Now I really wish that I knew how to swim  
Be a man  
We must be swift as the coursing river  
Mysterious as the dark side of the moon

Be a man  
With all the force of a great typhoon  
Be a man  
With all the strength of a raging fire  
Mysterious as the dark side of the moon  
Time is racing toward us till the Huns arrive  
Heed my every order and you might survive  
You're unsuited for the rage of war  
So pack up, go home, you're through  
How could I make a man out of you?  
Be a man  
We must be swift as the coursing river  
With all the force of a great typhoon  
Be a man  
With all the strength of a raging fire  
Mysterious as the dark side of the moon  
Be a man  
We must be swift as the coursing river  
With all the force of a great typhoon  
With all the strength of a raging fire

## Shut up and dance

Oh don't you dare look back  
Just keep your eyes on me  
I said you're holding back  
She said shut up and dance with me  
This woman is my destiny  
She said oh oh oh  
Shut up and dance with me  
We were victims of the night  
The chemical, physical, kryptonite  
Helpless to the bass and the fading light  
Oh we were bound to get together  
Bound to get together  
She took my arm  
I don't know how it happened  
We took the floor and she said  
Oh don't you dare look back  
Just keep your eyes on me  
I said you're holding back  
She said shut up and dance with me  
This woman is my destiny  
She said oh oh oh  
Shut up and dance with me

A backless dress and some beat up sneaks  
My discotheque Juliet teenage dream  
I felt it in my chest as she looked at me  
I knew we were bound to be together  
Bound to be together  
She took my arm  
I don't know how it happened  
We took the floor and she said  
Oh don't you dare look back  
Just keep your eyes on me  
I said you're holding back  
She said shut up and dance with me  
This woman is my destiny  
She said oh oh oh  
Shut up and dance with me  
Oh, c'mon girl  
Deep in her eyes  
I think I see the future  
I realize this is my last chance  
She took my arm  
I don't know how it happened  
We took the floor and she said...

# Brave

You can be amazing  
You can turn a phrase into a weapon or a drug  
You can be the outcast  
Or be the backlash of somebody's lack of love  
Or you can start speaking up  
Nothing's gonna hurt you the way that words do  
And they settle 'neath your skin  
Kept on the inside and no sunlight  
Sometimes a shadow wins  
But I wonder what would happen if you  
Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave  
I just wanna see you  
I just wanna see you  
I just wanna see you  
I wanna see you be brave  
I just wanna see you  
I just wanna see you  
I just wanna see you

I wanna see you be brave  
Everybody's been there, everybody's been  
stared down  
By the enemy  
Fallen for the fear and done some disappearing  
Bow down to the mighty  
Don't run, stop holding your tongue  
Maybe there's a way out of the cage where you  
live  
Maybe one of these days you can let the light in  
Show me how big your brave is  
Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave  
Innocence, your history of silence  
Won't do you any good  
Did you think it would?  
Let your words be anything but empty  
Why don't you tell them the truth?  
Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say

## Wrecking Ball

We clawed, we chained,  
our hearts in vain

We jumped, never asking  
why

We kissed, I fell under your  
spell

A love no one could deny

Don't you ever say I just  
walked away

I will always want you

I can't live a lie, running for  
my life

I will always want you

I came in like a wrecking  
ball

I never hit so hard in love

All I wanted was to break  
your walls

All you ever did was break  
me

Yeah, you wreck me

I put you high up in the sky

And now, you're not  
coming down

It slowly turned, you let me  
burn

And now, we're ashes on  
the ground

Don't you ever say I just  
walked away

I will always want you

I can't live a lie, running for  
my life

I will always want you

I came in like a wrecking  
ball

I never hit so hard in love

All I wanted was to break  
your walls

All you ever did was break  
me

I came in like a wrecking  
ball

Yeah, I just closed my eyes  
and swung

Left me crouching in a  
blaze and fall

All you ever did was break  
me

Yeah, you wreck me

I never meant to start a  
war

I just wanted you to let me  
in

And instead of using force

I guess I should've let you  
in

I never meant to start a  
war

I just wanted you to let me  
in

I guess I should've let you  
in

Don't you ever say I just  
walked away

I will always want you

I came in like a wrecking  
ball

I never hit so hard in love

All I wanted was to break  
your walls

All you ever did was break  
me

I came in like a wrecking  
ball

Yeah, I just closed my eyes  
and swung

Left me crouching in a  
blaze and fall

All you ever did was break  
me

Yeah, you, you wreck me

Yeah, you, you wreck me

## Fight Song

Like a small boat  
On the ocean  
Sending big waves  
Into motion  
Like how a single word  
Can make a heart open  
I might only have one match  
But I can make an explosion  
And all those things I didn't say  
Wrecking balls inside my brain  
I will scream them loud tonight  
Can you hear my voice this time?  
This is my fight song  
Take back my life song  
Prove I'm alright song  
My power's turned on  
Starting right now I'll be strong  
I'll play my fight song  
And I don't really care if nobody else believes  
'Cause I've still got a lot of fight left in me  
Losing friends and I'm chasing sleep  
Everybody's worried about me  
In too deep  
Say I'm in too deep (in too deep)  
And it's been two years I miss my home

But there's a fire burning in my bones  
Still believe  
Yeah, I still believe  
And all those things I didn't say  
Wrecking balls inside my brain  
I will scream them loud tonight  
Can you hear my voice this time?  
This is my fight song  
Take back my life song  
Prove I'm alright song  
My power's turned on  
Starting right now I'll be strong  
I'll play my fight song  
And I don't really care if nobody else believes  
'Cause I've still got a lot of fight left in me  
A lot of fight left in me  
Like a small boat  
On the ocean  
Sending big waves  
Into motion  
Like how a single word  
Can make a heart open  
I might only have one match  
But I can make an explosion  
This is my fight song...

## Billie Jean

She was more like a beauty queen from a movie scene

I said don't mind, but what do you mean, I am the one

Who will dance on the floor in the round

She said I am the one, who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene

Then every head turned with eyes that dreamed of being the one

Who will dance on the floor in the round

People always told me be careful of what you do

And don't go around breaking young girls' hearts

And mother always told me be careful of who you love

And be careful of what you do 'cause the lie becomes the truth

Billie Jean is not my lover

She's just a girl who claims that I am the one

But the kid is not my son

She says I am the one, but the kid is not my son

For forty days and forty nights

The law was on her side

But who can stand when she's in demand

Her schemes and plans

'Cause we danced on the floor in the round

So take my strong advice, just remember to always think twice

(Don't think twice, don't think twice)

She told my baby we'd danced till three, then she looked at me

Then showed a photo my baby cried his eyes were like mine (oh, no!)

'Cause we danced on the floor in the round, baby

People always told me be careful of what you do

And don't go around breaking young girls' hearts

She came and stood right by me

Just the smell of sweet perfume

This happened much too soon

She called me to her room

## Wake me up

Feeling my way through the darkness  
Guided by a beating heart  
I can't tell where the journey will end  
But I know where to start  
They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well life will pass me by if I don't open up my eyes  
Well that's fine by me  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost

I tried carrying the weight of the world  
But I only have two hands  
I hope I get the chance to travel the world  
And I don't have any plans  
I wish that I could stay forever this young  
Not afraid to close my eyes  
Life's a game made for everyone  
And love is a prize  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost

## Hey soul sister

Hey, hey, hey

Tonight

hey

(Hey) hey

(Hey) hey

Your lipstick stains

On the front lobe of my

Left-side brains

I knew I wouldn't forget you

And so I went and let you

Blow my mind

(Let you blow my mind)

Your sweet moonbeam

The smell of you in every

Single dream I dream

I knew when we collided

You're the one I have decided

Who's one of my kind

(You're one of my kind)

Hey soul sister

Ain't that mister mister

On the radio, stereo

The way you move ain't fair,  
you know

Hey soul sister

I don't wanna miss a single  
thing you do

Tonight

hey

(Hey) hey

(Hey) hey

Just in time

I'm so glad you have a one  
track mind like me

You gave my life direction

A game show love  
connection

We can't deny

('ny, 'ny)

I'm so obsessed

My heart is bound to beat

Right out my untrimmed  
chest

I believe in you

Like a virgin, you're  
Madonna

And I'm always gonna wanna  
blow your mind

Hey soul sister

Ain't that mister mister

On the radio, stereo

The way you move ain't fair,  
you know

Hey soul sister

I don't wanna miss a single  
thing you do

Tonight

The way you can cut a rug

Watching you is the only  
drug I need

So gangster, I'm so thug

You're the only one I'm  
dreaming of

You see, I can be myself now  
finally

In fact there's nothing I can't  
be

I want the world to see you'll  
be with me

Hey soul sister

Ain't that mister mister

On the radio, stereo

The way you move ain't fair,  
you know

Hey soul sister

I don't wanna miss a single  
thing you do tonight

Hey soul sister

I don't wanna miss a single  
thing you do

Tonight

hey  
(Hey) hey  
(Hey) hey  
Tonight  
(Hey) hey  
(Hey) hey  
(Hey) hey

## Fireflies

You would not believe your eyes

If ten million fireflies

Lit up the world as I fell asleep

'Cause they fill the open air

And leave teardrops everywhere

You'd think me rude but I would just stand and stare

I'd like to make myself believe that planet earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems

'Cause I'd get a thousand hugs

From ten thousand lightning bugs

As they tried to teach me how to dance

A foxtrot above my head

A sock hop beneath my bed

A disco ball is just hanging by a thread (thread, thread)

I'd like to make myself believe that planet earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I fall asleep)

Leave my door open just a crack

Please take me away from here

'Cause I feel like such an insomniac

Please take me away from here

Why do I tire of counting sheep

Please take me away from here

When I'm far too tired to fall asleep

To ten million fireflies

I'm weird cause I hate goodbyes

I got misty eyes as they said farewell (said farewell)

But I'll know where several are

If my dreams get real bizarre

'Cause I saved a few and I keep them in a jar (jar, jar)

I'd like to make myself believe that planet earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I fall asleep)

## The way you make me feel

Go on girl!	My lonely days are gone	(My lonely days are gone)
Hey pretty baby with the high heels on	(My lonely days are gone)	Go on girl!
You give me fever	I like the feelin' you're givin' me	Go on! Hee! Hee! Aaow!
Like I've never, ever known	Just hold me baby and I'm in ecstasy	Go on girl!
You're just a product of loveliness	Oh I'll be workin' from nine to five	I never felt so in love before
I like the groove of your walk,	To buy you things to keep you by my side	Promise baby, you'll love me forevermore
Your talk, your dress	I never felt so in love before	I swear I'm keepin' you satisfied
I feel your fever	Just promise baby, you'll love me forevermore	'Cause you're the one for me
From miles around	I swear I'm keepin' you satisfied	The way you make me feel
I'll pick you up in my car	'Cause you're the one for me	(The way you make me feel)
And we'll paint the town	The way you make me feel	You really turn me on
Just kiss me baby	(The way you make me feel)	(You really turn me on)
And tell me twice	You really turn me on	You knock me off of my feet
That you're the one for me	(You really turn me on)	Now baby
The way you make me feel	You knock me off of my feet	(You knock me off of my feet)
(The way you make me feel)	Now baby	My lonely days are gone
You really turn me on	(You knock me off of my feet)	(My lonely days are gone)
(You really turn me on)	My lonely days are gone,	The way you make me feel
You knock me off of my feet		(The way you make me feel)
(You knock me off of my feet)		You really turn me on
		(You really turn me on)

You knock me off of my feet

Now baby

(You knock me off of my feet)

My lonely days are gone

(My lonely days are gone)

Ain't nobody's business,

Ain't nobody's business

(The way you make me feel)

Ain't nobody's business,

Ain't nobody's business but

Mine and my baby

(You really turn me on)

(You knock me off of my feet)

Oh!

(My lonely days are gone)

Give it to me, give me some time

(The way you make me feel)

Come on be my girl, I want to

Be with mine

(You really turn me on)

Ain't nobody's business

(You knock me off of my feet)

Ain't nobody's business but

Mine and my baby's

Go on girl! Aaow!

(My lonely days are gone)

Hee hee! Aaow!

Chika, chika

Chika, chika, chika

Go on girl!, Hee hee!

(The way you make me feel)

Hee hee hee!

(You really turn me on)

(You knock me off of my feet)

(My lonely days are gone)

## You're the one that I want

I got chills, they're multiplyin', and I'm losin'  
control

'Cause the power you're supplyin', it's electrifyin'

You better shape up, cause I need a man, and my  
heart is set on you

You better shape up, you better understand, to  
my heart I must be true

Nothing left, nothing left for me to do

You're the one that I want (you are the one I  
want), ooh ooh ooh, honey

The one that I want (you are the one I want), ooh  
ooh ooh, honey

The one that I want (you are the one I want), ooh  
ooh ooh, honey

The one I need (the one I need), oh yes indeed  
(yes indeed)

If you're filled with affection, 'n you're too shy to  
convey

Meditate my direction, feel your way

I better shape up, cause you need a man

I need a man, who can keep me satisfied

I better shape up, if I'm gonna prove

You better prove, that my fate is justified

Are you sure? Yes I'm sure down deep inside

You're the one that I want (you are the one I  
want), ooh ooh ooh, honey

The one that I want (you are the one I want), ooh  
ooh ooh, honey

The one that I want (you are the one I want), ooh  
ooh ooh, honey

The one I need (the one I need), oh yes indeed  
(yes indeed)

## Summer nights

Summer lovin' had me a blast  
Summer lovin' happened so fast  
I met a girl crazy for me  
Met a boy cute as can be  
Summer days driftin' away, to uh-oh those  
summer nights  
Uh Well-a well-a well-a huh  
Tell me more, tell me more  
Did you get very far?  
Tell me more, tell me more  
Like does he have a car?  
Uh-huh uh-huh uh-huh uh-huh  
She swam by me, she got a cramp  
He ran by me, got my suit damp  
I saved her life, she nearly drowned  
He showed off, splashing around  
Summer sun, something's begun, but uh-oh  
those summer nights  
Uh well-a well-a well-a huh  
Tell me more, tell me more  
Was it love at first sight?  
Tell me more, tell me more  
Did she put up a fight?  
Uh-huh-uh-huh-uh-huh-uh-huh  
Took her bowling in the arcade  
We went strolling, drank lemonade  
We made out under the dock

We stayed out 'till ten o'clock  
Summer fling, don't mean a thing, but uh-oh  
those summer nights  
Uh well-a well-a well-a huh  
Tell me more, tell me more  
But you don't gotta brag  
Tell me more, tell me more  
'Cause he sounds like a drag  
Shoo-bop bop, shoo-bop bop, shoo-bop bop,  
shoo-bop bop,  
Shoo-bop bop, shoo-bop bop, shoo-bop bop,  
yeah  
He got friendly, holding my hand  
While she got friendly down in the sand  
He was sweet, just turned eighteen  
Well she was good you know what I mean,  
whoa!  
Summer heat, boy and girl meet, but uh-oh those  
summer nights  
Woo, woo, woo, tell me more, tell me more  
How much dough did he spend?  
Tell me more, tell me more  
Could she get me a friend?  
It turned colder, that's where it ends  
So I told him we'd still be friends  
Then we made our true love vow  
Wonder what he's doing now  
Summer dreams ripped at the seams, but oh  
those su-ummer nights, tell me more, tell me  
more!

## I'm yours

Well you done done me and you bet I felt it

I tried to be chill but you're so hot I melted

I fell right through the cracks

And now I'm trying to get back

Before the cool done run out

I'll be giving it my best-est

And nothing's going to stop me but divine  
intervention

I reckon it's again my turn,

To win some or learn some

But I won't hesitate no more, no more

It cannot wait, I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find love love  
love love

Listen to the music of the moment people dance  
and sing

We are just one big family

And it's our God-forsaken right to be loved  
loved loved loved loved

So I won't hesitate no more, no more

It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

D-d-do do you, but do you, d-d-do

But do you want to come on

Scooch on over closer dear

And I will nibble your ear

Oh oh

I've been spending way too long checking my  
tongue in the mirror

And bending over backwards just to try to see it  
clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I been saying is there ain't no better  
reason

To rid yourself of vanity and just go with the  
seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find the sky is  
yours

So please don't please don't please don't

There's no need to complicate...

## Ain't no mountain high enough

Listen baby, ain't no mountain high  
Ain't no valley low, ain't no river wide  
enough baby  
If you need me call me no matter where  
you are  
No matter how far don't worry baby  
Just call my name I'll be there in a hurry  
You don't have to worry  
'Cause baby there ain't no mountain high  
enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you babe  
Remember the day I set you free  
I told you you could always count on me  
darling  
From that day on, I made a vow  
I'll be there when you want me  
Some way, some how  
'Cause baby there ain't no mountain high  
enough  
Ain't no valley low enough  
Ain't no river wide enough

To keep me from getting to you babe  
Oh no darling  
No wind, no rain  
Or winters cold can stop me baby, na na  
baby  
'Cause you are my goal  
If you're ever in trouble  
I'll be there on the double  
Just send for me, oh baby, ha  
My love is alive  
Way down in my heart  
Although we are miles apart  
If you ever need a helping hand  
I'll be there on the double  
Just as fast as I can  
Don't you know that there  
Ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you babe  
Don'tcha know that there  
Ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
Ain't mountain high enough  
Ain't no valley low enough

## All of Me

What would I do without your smart mouth  
Drawing me in, and you kicking me out  
Got my head spinning, no kidding, I can't pin  
you down  
What's going on in that beautiful mind  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me, but  
I'll be alright  
My head's under water  
But I'm breathing fine  
You're crazy and I'm out of my mind  
'Cause all of me  
Loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me  
I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all, all of me  
And you give me all, all of you  
How many times do I have to tell you  
Even when you're crying you're beautiful too  
The world is beating you down, I'm around  
through every move  
You're my downfall, you're my muse  
My worst distraction, my rhythm and blues

I can't stop singing, it's ringing, in my head for  
you  
My head's under water  
But I'm breathing fine  
You're crazy and I'm out of my mind  
'Cause all of me  
Loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me  
I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all of me  
And you give me all, all of you  
Give me all of you  
Cards on the table, we're both showing hearts  
Risking it all, though it's hard  
'Cause all of me  
Loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me  
I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning...

## Lean on me

Sometimes in our lives we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow

Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

Please swallow your pride

If I have things you need to borrow

For no one can fill those of your needs

That you won't let show

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on

Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on

If there is a load you have to bear

That you can't carry

I'm right up the road

I'll share your load

If you just call me (call me)

If you need a friend (call me) call me uh huh(call me) if you need a friend (call me)

If you ever need a friend (call me)

Call me (call me) call me (call me) call me

(Call me) call me (call me) if you need a friend

(Call me) call me (call me) call me (call me) call me

me (call me) call me (call me)

## Sweet Caroline

Where it began, I can't begin to knowing

But then I know it's growing strong

Was in the spring

Then spring became the summer

Who'd have believed you'd come along

Hands, touching hands

Reaching out, touching me, touching you

Sweet Caroline

Good times never seemed so good

I'd be inclined

To believe they never would

But now I

Look at the night and it don't seem so lonely

We filled it up with only two

And when I hurt

Hurting runs off my shoulders

How can I hurt when I'm holding you

One, touching one

Reaching out, touching me, touching you

Sweet Caroline

Good times never seemed so good

I'd be inclined

To believe they never would

Oh no, no

Sweet Caroline

Good times never seemed so good

Sweet Caroline

I believe they never could

## Jolene

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

[Verse 1]

Your beauty is beyond compare  
With flaming locks of auburn hair  
With ivory skin and eyes of emerald green  
Your smile is like a breath of spring  
Your voice is soft like summer rain  
And I cannot compete with you, Jolene

[Verse 2]

He talks about you in his sleep  
There's nothing I can do to keep  
From crying when he calls your name, Jolene  
And I can easily understand  
How you could easily take my man  
But you don't know what he means to me, Jolene

[Chorus]

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

[Verse 3]

You could have your choice of men  
But I could never love again  
He's the only one for me, Jolene  
I had to have this talk with you  
My happiness depends on you  
And whatever you decide to do, Jolene

[Chorus]

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him even though you can  
Jolene, Jolene

## He's got the whole world

He's got the whole world..  
He's got the people in my backyard  
He's got the chitty chatty people  
He got a mosquito  
He's got Cantabo Music

## Lost boy

There was a time when I was  
alone

Nowhere to go and no place  
to call home

My only friend was the man  
in the moon

And even sometimes he  
would go away, too

Then one night, as I closed  
my eyes

I saw a shadow flying high

He came to me with the  
sweetest smile

Told me he wanted to talk for  
awhile

He said, "Peter Pan, that's  
what they call me

I promise that you'll never be  
lonely, " and ever since that  
day

I am a lost boy from  
Neverland

Usually hanging out with  
Peter Pan

And when we're bored we  
play in the woods

Always on the run from  
Captain Hook

"Run, run, lost boy, " they  
say to me

Away from all of reality

Neverland is home to lost  
boys like me

And lost boys like me are  
free

Neverland is home to lost  
boys like me

And lost boys like me are  
free

He sprinkled me in pixie dust  
and told me to believe

Believe in him and believe in  
me

Together we will fly away in  
a cloud of green

To your beautiful destiny

As we soared above the town  
that never loved me

I realized I finally had a  
family

Soon enough we reached  
Neverland

Peacefully my feet hit the  
sand

And ever since that day

I am a lost boy from  
Neverland

Usually hanging out with  
Peter Pan

And when we're bored we  
play in the woods

Always on the run from  
Captain Hook

"Run, run, lost boy, " they  
say to me

Away from all of reality

Neverland is home to lost  
boys like me

And lost boys like me are  
free

Neverland is home to lost  
boys like me

And lost boys like me are  
free

Peter Pan, Tinkerbell, Wendy  
Darling

Even Captain Hook, you are  
my perfect story book

Neverland, I love you so

You are now my home sweet  
home

Forever a lost boy at last

Peter Pan, Tinkerbell, Wendy  
Darling

Even Captain Hook, you are  
my perfect story book

Neverland, I love you so

You are now my home sweet  
home

Forever a lost boy at last

And for always I will say

I am a lost boy from  
Neverland...

## One call away

One call away  
I'm only one call away  
I'll be there to save the day  
Superman got nothing on  
me  
I'm only one call away  
Call me, baby, if you need a  
friend  
I just wanna give you love  
Come on, come on, come  
on  
Reaching out to you, so  
take a chance  
No matter where you go  
You know you're not alone  
I'm only one call away  
I'll be there to save the day  
Superman got nothing on  
me  
I'm only one call away  
Come along with me and  
don't be scared  
I just wanna set you free  
Come on, come on, come  
one

You \_\_\_\_\_ and  
me can make it anywhere  
For now, we can stay here  
for a while, ay  
'Cause you know, I just  
wanna see you smile  
No matter where you go  
You know you're not alone  
I'm only one call away  
I'll be there to save the day  
Superman got nothing on  
me  
I'm only one call away  
And when you're weak I'll  
be strong  
I'm gonna keep holding on  
Now don't you worry, it  
won't be long, Darling  
And when you feel like  
hope is gone  
Just run into my arms  
I'm only one call away  
I'll be there to save the day  
Superman got nothing on  
me  
I'm only one, I'm only one  
call away  
I'll be there to save the day

Superman got nothing on  
me  
I'm only one call away  
I'm only one call away

## Brave

You can be amazing

You can turn a phrase into  
a weapon or a drug

You can be the outcast

Or be the backlash of  
somebody's lack of love

Or you can start speaking  
up

Nothing's gonna hurt you  
the way that words do

And they settle 'neath your  
skin

Kept on the inside and no  
sunlight

Sometimes a shadow wins

But I wonder what would  
happen if you

Say what you wanna say

And let the words fall out

Honestly I wanna see you  
be brave

With what you want to say

And let the words fall out

Honestly I wanna see you  
be brave

I just wanna see you

I just wanna see you

I just wanna see you

I wanna see you be brave

I just wanna see you

I just wanna see you

I just wanna see you

I wanna see you be brave

Everybody's been there,  
everybody's been stared  
down

By the enemy

Fallen for the fear and  
done some disappearing

Bow down to the mighty

Don't run, stop holding  
your tongue

Maybe there's a way out of  
the cage where you live

Maybe one of these days  
you can let the light in

Show me how big your  
brave is

Say what you wanna say

And let the words fall out

Honestly I wanna see you  
be brave

With what you want to say

And let the words fall out

Honestly I wanna see you  
be brave

Innocence, your history of  
silence

Won't do you any good

Did you think it would?

Let your words be anything  
but empty

Why don't you tell them the  
truth?

Say what you wanna say

And let the words fall out

Honestly I wanna see you  
be brave

With what you want to say

And let the words fall out

Honestly I wanna see you  
be brave

I just wanna see you

I just wanna see you

I just wanna see you

I wanna see you be brave

I just wanna see you

## Rather be

Oh

We're a thousand miles from  
comfort, we have traveled  
land and sea

But as long as you are with  
me, there's no place I'd rather  
be

I would wait forever, exalted  
in the scene

As long as I am with you, my  
heart continues to beat

With every step we take,  
Kyoto to The Bay

Strolling so casually

We're different and the same,  
gave you another name

Switch up the batteries

If you gave me a chance I  
would take it

It's a shot in the dark but I'll  
make it

Know with all of your heart,  
you can't shame me

When I am with you, there's  
no place I'd rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

Ooh ooh

We staked out on a mission  
to find our inner peace

Make it everlasting so  
nothing's incomplete

It's easy being with you,  
sacred simplicity

As long as we're together,  
there's no place I'd rather be

With every step we take,  
Kyoto to The Bay

Strolling so casually

We're different and the same,  
gave you another name

Switch up the batteries

If you gave me a chance I  
would take it

It's a shot in the dark but I'll  
make it

Know with all of your heart,  
you can't shame me

When I am with you, there's  
no place I'd rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

When I am with you, there's  
no place I'd rather be (Yeah)

Hoo

(Be)

Yeah-e-yeah-e-yeah-e-yeah-e  
-yeah, yeah, yeah

If you gave me a chance I  
would take it

It's a shot in the dark but I'll  
make it

Know with all of your heart,  
you can't shame me

When I am with you, there's  
no place I'd rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

N-n-n-no, no, no, no place I'd  
rather be

When I am with you, there's  
no place I'd rather be
